INSTRUCTIONS TO USE THIS LABEL

1. Print and fill in the label with the number of your stand, company name and sender's data. It is very important to include the name, telephone number and email of the person who sends the package.
2. Once completed, fold the label over the dashed line and stick it to the package.

NOTICE

You should affix a label to each individual package. If you make a shipment with more than one package, be sure to stick a label on each package.
