Cluster meet Region

Organise: European Cluster Collaboration Platform

A two days international conference focused on showcasing how clusters contribute to regional development and growth. Regional strategies need to have an adequate policy mix. Clusters mobilise the most dynamic companies in the territory, facilitate cooperation and help to effectively implement policy guidelines. This event will demonstrate concrete examples and experiences to inspire policy makers and managers of innovation strategies. The first day schedule includes keynote presentations from leading European experts, knowledge and practice sharing in various formats.

Time: 12:00 – 6:00 p.m.

Location: Conference Room 1

Open activity for the public

CTA executive committee

Organise: Corporación Tecnológica de Andalucía (CTA)
